Added Service(s) at an extra cost:

- Wedges on top of full lifts – see wedge price list and full lift price list
- Honeycomb the lift for less weight and more flexibility, \$15-\$20
- Paint the lift a custom color, \$10-\$15
- Build an insert – a loose wedge you can use inside a shoe for all or part of your discrepancy – cost is \$5 less than wedge price with \$10 minimum cost
- Loose heel insert - \$25
- Loose full insert - \$45
- Remove a lift - \$25 less than lift cost but no less than \$30

Special Handling at an extra cost: As \$15-\$35

- Working around hindrances that keep us from simply sply splitting the sole
- Putting additional shoe features that will come apart back together after splitting the sole
- Any non-standard split where a standard split is simply a cut in the sole to accommodate the lift with no extra work

Shipping: You ship to us, we will ship back to you. No charge.
